

## 4th Annual Winemakers Dinner Sponsorship Opportunity

Lafayette Community Foundation is proud to present our **4th Annual Winemakers Dinner** that will take place at **Postino on February 23, 2020**. Proceeds from this event will go toward funding LCF's Excellence Grants program which has been supporting local non-profits for the past 21 years. Your sponsorship will help offset the costs of the dinner so that LCF can give back as much as possible to the community.

This year, the Winemakers Dinner will showcase a locally-sourced, five course dinner prepared by celebrity chef, Stewart Beatty of Postino along with wine pairings from Northern California. Tickets are \$200 per person.
